Subject: RoHs3 Compliance

Dated: 1 January 2019

Summitech LLC is committed to compliance with all known US and International treaties on the use and/or prohibition of dangerous substances.

The RoHS 2 Directive, officially known as Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment (recast), was published in the Official Journal of the European Union on July 1, 2011 and will enter into force on July 21, 2011. After January 2013, electronic products bearing CE Mark must meet the requirements of this new directive. This Directive remains in force.

The RoHS 3 Directive, officially known as Directive 2015/863, was published in 2015. This directive bans the use of four additional substances known collectively as phthalates. The directive becomes effective on July 22nd, 2019.

This statement declares that products provided for sale by Summitech LLC, to the best of our knowledge, are in conformance with all current requirements of the European RoHS Directives.

Summitech audits all production facilities and requires suppliers and sub-suppliers to provide certificates of compliance; such documentation can be obtained by contacting Summitech LLC via the methods shown at the top of the statement.
